Dear David

USER GROUP USAGE AGREEMENTS

Following recent discussions with various user groups and regular hirers, The Hobart Aquatic Centre Board of Management has resolved to appoint an external consultant to develop a User Group Agreement and supporting framework. It is anticipated that this work will take three months to complete.

The Board further resolved that existing informal or expired agreements would continue unchanged until 31 August 2015.

Consultation with user groups will occur during this three month period as part of the process to develop the framework and associated fees and charges.

A new User Agreement and fee structure will become effective from 1 September 2015.

If you have any concerns or would like to discuss this please contact me on 6222 6997.

Yours sincerely

(Susan Buckland)
MANAGER THE HOBART AQUATIC CENTRE
