**NB: Referees for all finals will be chosen from the Referees Guild**

1. Teams playing the first games each night are responsible for setting up their courts. The clock will start at the listed times, so if courts are not set up by then, you will be losing time from your game!

2. If your team sheet is not filled in PRIOR to your game so that it accurately lists ALL players who will be playing for you

\*4. **Duties of deck referees.** Deck referees are required to perform the following duties:

- Ensure team sheet for the game has been filled in accurately by both teams at start of game, noting in the comments section if this has not been done;
- List the names of the actual referees in the water for the game, as well as their own name, on the score sheet.
- Record all goals scored against the name of the scorer, during the game (if possible);
